

September 2018

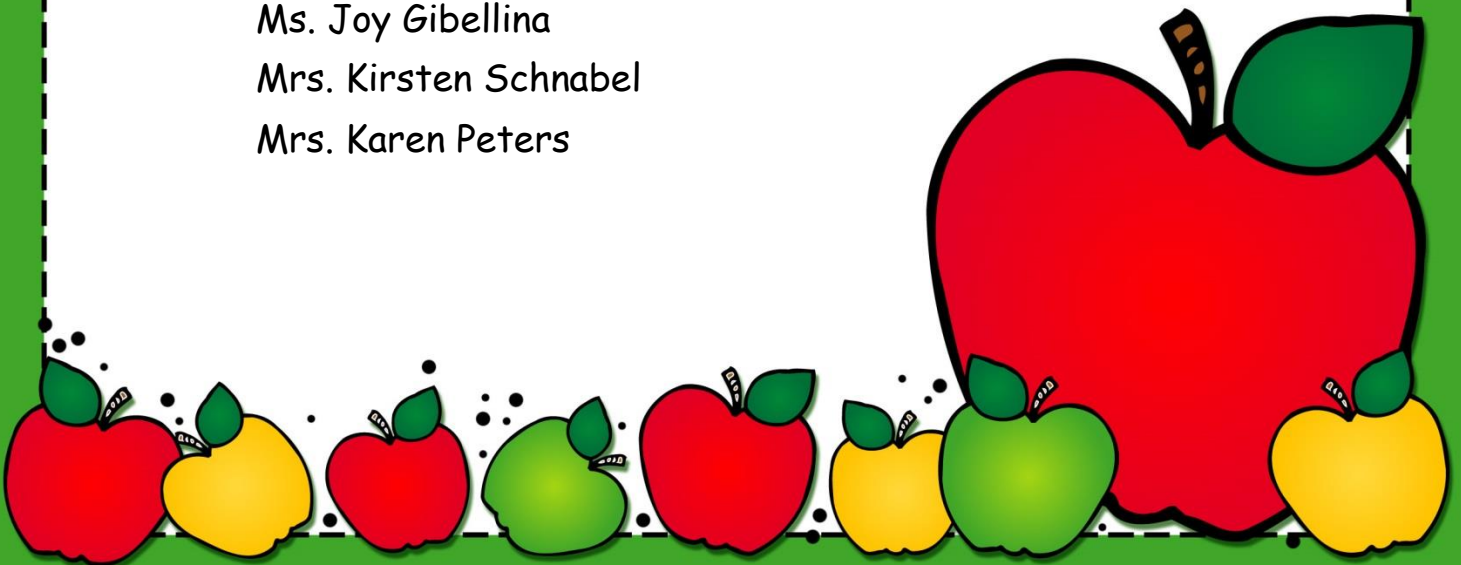

Dear Early Childhood Parents,

Our Preschool, Pre-K, and Kindergarten programs allows for a healthy snack during the day.

Since we have students with severe allergies to peanut and tree nuts, we believe that we must take control of the snacks that are being served in our classrooms for the safety of all the children. Therefore, Saint Luke will be purchasing all peanut/tree nut free snacks for our early childhood classrooms. We will continue to celebrate birthdays. We will send home a letter closer to your child's birthday with a list of approved peanut/tree nut free snacks.

Thank you for your understanding and support in keeping our students safe. Please feel free to contact us if you have any questions.
